

Grace holds on.

D
Your grace holds on and I let go
G
Surrendering my broken world
Em
'Cause all I am, all my dreams
G D
Fall apart at the seems without you

D
You rescued me and grace touched my lips
G
As the king of angels died for me
Em
And didn't my dead heart burn
G D
When you spoke grace filled words over me

G D Bm A
How my heart burns within to worship at your feet
G D Bm A
How my soul longs to see glory of the king
G D Bm A
And I will worship you with all that is in me
G D A Bm
For you are worthy
G D A
For you are worthy
