Riff in G#m

I'm seeking after you God with everything inside of me

For all that you've done and all that you do

I'm in awe before you

E                      F#m  
You light up the sky with your glory

E                      F#m  
The heavens declare your majesty

G#m      E              B              F#  
Your love heals my heart and soul

G#m      E              B              F#  
Your love fills my world with joy

G#m              E              B              F#m  
And all that I am and all that I'll be

G#m      E              B      F#  
Lives to love you eternally

G#m      E              B      F#  
I live to love you eternally
